Cost: **\$5**

Location: **Davis Wright Tremaine, 1201 3rd Ave, Floor 22, Seattle**

Program Title: Managing Email-SharePoint 2010 and Colligo Working Together

Description: Hear from Microsoft and Colligo on how their products work together to manage email

Speakers Profile:

Barry Jinks
CEO & Founder, Colligo Networks

Barry is the founder and CEO of Colligo Networks, and has been a technology innovator and entrepreneur for more than 25 years. Barry is a recognized expert on SharePoint client technology and a frequent speaker at SharePoint and Enterprise Content Management (ECM) conferences worldwide. He manages Colligo's popular SharePoint blog, which discusses important issues in email and records management, governance, and compliance, as well as technology trends affecting the SharePoint and ECM market. Barry holds degrees in Science and Electrical Engineering, and was named Ernst and Young's 1997 Pacific Region 'Technology Entrepreneur of the Year'.

Joe Do
Program Manager, Microsoft Corporation

Joe is a Program Manager in the Business and Technology Solutions Team at Microsoft, where he focuses on the corporate records and contract automation strategies. He has more than 14 years of experience in software development, training, consulting and enterprise content management implementation. He has spent the past 9 years using SharePoint as the ECM solution for small to large businesses.

Register The program is open to all professionals interested in learning about SharePoint 2010 and Colligo. Please register **NO LATER THAN January 31st**. Register online at http://www.armaseattle.org/events.htm#Registration_Form. Register via email to registration@armaseattle.org (include your name, organization, phone #, and # of guests if any)

Directions to Davis Wright Tremaine:

The entrance to the building's garage is located between Second and Third Avenues off of Seneca Street. Visitor parking is available at your own expense on levels A-F.

Northbound on I-5: As you near downtown Seattle northbound on I-5, get into the far left lane to take the Seneca Street exit (exit 165). Turn left onto on-ramp and pass through the first light after the on-ramp; you are now on Seneca Street. Get into the right lane of Seneca Street; 1201 Third Avenue should be visible in the distance to the right. The entrance to the parking garage is on your right after the 3rd and Seneca intersection

Southbound on I-5 (also applicable for those connecting to I-5 via Hwy 520)* As you near downtown Seattle, get into the far right lane on I-5. Take the off-ramp onto Union Street (exit 165B), located underneath Freeway Park. Stay in the left lane of Union Street until you reach 3rd Avenue. Turn left onto 3rd Avenue—at this point you should be able to see 1201 Third Avenue on the right. Go past 1201 Third Avenue and turn right onto Seneca Street. The entrance to the parking garage is on your right.
