

Greater Seattle Chapter of ARMA, International

An organization for records and information management professionals

Dear Chapter Members and Other Friends,

Fall is truly here now, strewing gold and crimson leaves all about the town and brisking the morning air. Speaking of mornings, we are about to enter the "breakfast meetings" phase of our chapter year, which runs from the November 2, 2006, meeting through to the February 1, 2007, meeting. Registration begins at 7:30 a.m., and breakfast and the program are from 8 a.m. to 10 a.m.

Our November 2, 2006 program, presented by Julie Viggiano, City of Seattle Assistant City Archivist, is titled, "The Digital Image Management Program at the Seattle Municipal Archives: Collection and Administration of City-Wide Digital Photography." The cost is \$20 and includes a continental breakfast. We'll be meeting at the Best Western Executive Inn. For more details and to register, please visit the Greater Seattle chapter's Web site at www.armaseattle.org.

The PIP (Personal Information Privacy) Day community service event held on October 7 was a total success. The weather was perfect for the day, the location provided by PEMCO terrific, and we had a steady stream of people who kept us busy from 11 a.m. to 3 p.m. Many thanks to "recall," the shredding company who itty-bitted approximately one and one-half TONS of paper (WOW!). Special thanks to Doug McFarlane, Larry Johnston, and Chris Spanier of "recall." Thanks also to our ARMA volunteers that day--Andrea Bettger, Barbara Buck, and Andrew SanAgustin. (Yes, it's true--I mainly stood around and drank hot coffee and noshed on the yummy pastries brought by others, but we all had a great gab fest about this and that in between customers and an overall fun time serving the community.)

Region Manager Sue Lord just sent a short article for everyone to enjoy. You'll find it at <http://seattlearma.blogspot.com/>.

Last but not least, we wish all of you who are traveling to San Antonio for the ARMA International Conference a safe trip and a wonderful time learning and exploring the sights to see. Congratulations again to our 2006 Chapter Member of the Year, Roger Winters, who will be formally recognized for his achievement in San Antonio at the "Denim to Diamonds" banquet and who has also agreed to represent our chapter at the leadership events.

Be well and happy, everyone, and register now for that November 2 meeting!

Yer pal and president,

Susan Priebe
