

March DIGEST

Greater Seattle Chapter of ARMA International

Message from the President

This month you need to know about the following activities with the Greater Seattle Chapter:

1. April 3, New Member Meet and Greet, at Columbia Tower Club, 8-10 a.m.
2. April 18, Shredding Day with NAPO, Datasite, and Office Max in Shoreline, WA. 9- noon (for more details below).
3. May 1, It's E-lectric! Decoding the Mysteries of E-mail, E-records, E-discovery and Computer Forensics. It is the Tri-Chapter Seminar in Tacoma, WA. All Day!
4. Cost of the E-lectric Seminar is only **\$85 for members** and **\$95 for non-members**. (There is no longer tiered registration.)

April 3, New Member Meet and Greet

On April 3, at the Columbia Tower Club from 8-10 a.m. Greater Seattle will be holding a new member meet and greet. This is for our new members, so they can be introduced to the Greater Seattle Chapter and also they can be introduced to the board. If you are a new member, I hope you will consider attending. Columbia Tower club has some great views of Elliot Bay! *This is by invitation only.*

April 18, Shredding Event

Do you have items for shredding? From 9-noon, we will be co-sponsoring shredding event in Shoreline with National Association of Professional Organizers (NAPO), Datasite, and Office Max. The shredding will take place at Office Max 1345 N 205th Shoreline, WA 98133, you will be allowed paper and up to six boxes. Please feel free to inform friends, family, and co-workers about the event and pass along the flyer. If you would like to assist, please contact me at: president@armaseattle.org or 206-615-1609.

May 1, Tri Chapter Seminar: It's E-lectric!

It's E-lectric! Decoding the Mysteries of E-mail, E-records, E-discovery and Computer Forensics, the Tri-Chapter Seminar is finally here. Make sure to attend the joint seminar on Friday, May 1, all day at La Quinta Inn, Tacoma, WA. The seminar is the work of the three Western Washington chapters: Bellevue Eastside, Greater Seattle, and Puget Sound Chapter.

First track speaker will be, Jesse Wilkins, from Access Science Corporation. Wilkins' will be speaking about E-mail Management and Blogs, Wikis, RSS: Emerging Records Management Issues and Strategies, also on Compliance 2.0 Managing Records in the Cloud. Wilkins is a fabulous speaker on Records and Information Management. Wilkins speaking engagements commonly costs a thousand dollars, so the entrance fee to see him at \$85 is well worth attending.

The Spring Seminar's second track will be David Matthews from the City of Seattle. Matthews will be speaking about Computer Forensics. You can learn how the technology professionals look inside a computer and find all those dirty little secrets. This session will be partnered with E- discovery, which will be presented by Todd Nunn of K & L Gates, who will present about E-discoveries and the Best Practices.

This is a great educational opportunity!
