

## **May DIGEST**

### **Greater Seattle Chapter of ARMA International**

#### **Message from the President**

With our June 4<sup>th</sup> meeting, we will be closing out our 2008-2009 ARMA Greater Seattle year. I hope you enjoyed this year of education programs and opportunities. During the summer months, the chapter will still be offering brown bag lunches with presentations on Electronic Records. Look for information about those brown bags in your inbox. We will also have the 3<sup>rd</sup> Tri-Chapter picnic, which will be announced in the next few weeks.

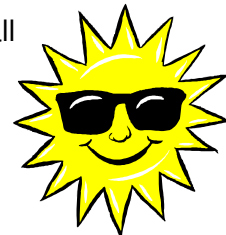

Our final meeting of the year is about the Greater Seattle members. The board will introduce the Chapter Member of the Year, transferring custody of our records to the University of Washington, recognizing members. I plan to keep in-touch with members through the monthly digests throughout the summer. Also, I hope to refresh the Greater Seattle Website.

I hope you will consider joining us for the Year End Social on June 4<sup>th</sup>.

*Andrea Bettger, Greater Seattle President*

#### **June Program**

**Year End Social: Greater Seattle Awards and Fun!** This program is all about the hard working members of our chapter. We will reveal the Chapter Member of the Year, the new 2009-2010 board, membership recognition, and have some interactive fun. This will be a great way to interact and get to know new and old members. Program Director, Dean Koga's will be hosting at his house, located on Queen Anne hill. I hope you will consider joining the fun.

#### **Membership Survey**

The Greater Seattle board will be sending out a membership survey in mid June. Please take time to respond to the survey. This will ensure the board dedicates time and energy in the areas that are interest to our members.

#### **Growing Chapter**

At the beginning of the year we started off with 94 members and as of to-date, May 22, we have 102 members. It has been several years, that the Greater Seattle Chapter has had over one hundred members. I want to welcome all our new members and returning members.

### **Results from PIP Day!**

On April 18, from 9-noon, we co-sponsored a shredding event in Shoreline with National Association of Professional Organizers (NAPO), Datasite, and Office Max. We had 70 cars come for shredding, which represented 79 individuals. *Hey, who knew that carpooling works for shredding too.* The Greater Seattle Chapter and NAPO hope to do another joint Shredding Day next year.

### ***Congratulation Members!***
